Rolle (vermentino)

This Cuvée is produced using meticulously selected wines. The perfecting touches of maturing and blending are carried out in the Domaine's Cellars.

TASTING NOTES

A pale, yellow robe with hints of green. A white wine that exudes citrus fruits and white blossom. The palate is full bodied and rich with touches of apricot, which is perfectly balanced by its sharpness. A superb example of this variety, Rolle, which is so typically Provençal.
