

Grapes

Grenache : 20 %, 40 years old vines
Carignan : 35%, 40 years old vines
Mourvèdre : 40% 50 years old vines
Syrah : 5 %, Young vines (20 years old)
yield : 25 hl/hl.

Terroirs

Vines located on the South slope of Mont Ventoux and Dentelles de Montmirail ; on stony clay and limestone soil - plots are in between 300 and 400 meters high.

Vintage

2015 is an excellent vintage in the Rhone valley, thanks to good rainfalls in spring followed by a dry summer with reasonable temperatures.

Autumn was also mild, with little rainfalls, allowing to harvest grapes of quality, in perfect condition. The maturity was early, also perfect for quality. All of this concurred to obtain very beautiful wines, with intense and nice colors, lots of fruit flavors, beautiful aromatic complexities, and a great length.

Philosophy

Partner winemakers certified in Organic culture
Hand harvest at optimal phenolic maturity
Maceration in between 15 to 20 days depending on grapes, in concrete vats with regular pumping over and delestages.
Maturing for 12 months in vat and old barrels for the Syrah.
